Collection specification details:

This collection was put together to offer strong upholsteries at reasonable prices.

Absolute, Primo and Rubiks weigh between 320gr/m² and 365gr/m².

All designs are water repellent.

Use confidently for upholstery- all designs have high Martindale rubs - from 20,000 to 60,000, seam slippage, colour fastness, pilling & tensile strength tested successfully.

All Flame Retardant - please enquire for further specifications.

All designs carry the OEKO-TEX® certification. *

* Fabrics certified according to STANDARD 100 by OEKO-TEX® ensure that fabrics produced do not contain any harmful substance and do not cause any type of air pollution. This is beneficial in creating a safe environment where the fabrics will not transfer any harmful chemicals when used or touched.

Factories with this certificate adhere to environmentally friendly dying and chemical specifications and procedures.
