

REVIVAL ~ upholstery re-imagined

Revival is not just a revival, it is a new beginning. A new beginning that offers so much in terms of colour, texture, variety, performance and technology. With 10 designs, and 49 colour options, this collection combines Cords, Herringbone, Chenille, Bouclé & linen looks with a little retro thrown in for good measure. Manufactured under strict Oeko-TEX Standards this collection offers water-repellent finish and excellent performance with abrasion starting at 30,000 Martindale rubs all the way up to 100,000.

OEKO-TEX® CERTIFIED

Introduced in 1992, the STANDARD 100 by OEKO-TEX® is a worldwide standard by which fabrics are tested and judged free of harmful levels of more than 100 substances known to be harmful to human health.

Some things that are good to know about the STANDARD 100 by OEKO-TEX®. This standard is voluntary and reviewed every year. The criteria themselves are also reviewed every year. All testing is done strictly in independent laboratories. It takes chemicals that are harmful but not yet legally regulated into account (as well as legally regulated chemicals and colourants)
