

# SIMBA

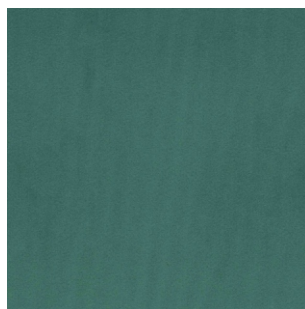

Luxuriously soft poly velvet

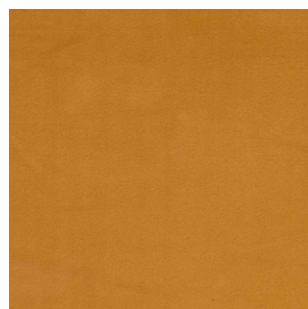

Simba polyester velvet is irresistible to touch. This luxurious plain is available in 28 splendid shades ranging from earthy silvers, greys and stones to rich plums and reds. Simba is soft enough for sumptuous drapes and durable enough for plush upholstery.

**Wash care instructions:**

- Dry Clean with Perchlorethylene
- Professional steam clean
- Do not bleach
- Do not tumble dry
- Cool iron

**Sewing specifications:**

- Simba is dual purpose velvet pile fabric and must be sewn in the direction of the pile.
- To avoid curtain seams from puckering these need to be flat OR hand stitched.
- DO NOT BLIND stitch as this will cause puckering when sewn against the pile.
- We recommend the use of a plastic pressure foot when flat stitching to avoid dragging and/or marking the fabric.
