

TRANSIT & FOCUS ~ recycled, wide width curtaining textures

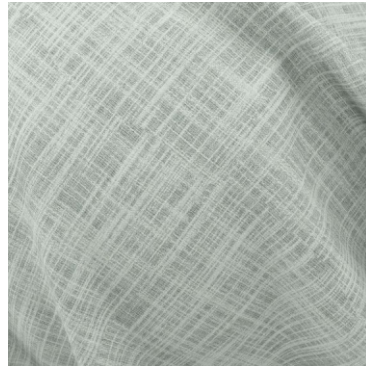

This collection is the epitome of a curtain makers dream, consisting of two unique designs in 48 colours! Focus is an uncomplicated open sheer with a lovely natural texture and handle, that celebrates old world textile textures. They say beauty is in the eye of the beholder, and the exquisite drapery, Transit, will beguile your clients once they are drawn to its undeniable charm. These new Eco wide designs have been created using recycled polyester and produced under strict Oeko-Tex standards ensuring no harmful substances have been used.
